

# Literacy Program Partnership

FOR ALLIES AND CHARITABLE ORGANIZATIONS

Autism Canada takes pride in providing opportunities for our allies, contributing to the establishment of a supportive ecosystem. We make our Literacy Programs available to fellow non-profit organizations at a charitable rate, with the goal of nurturing a culture of solidarity. Participating in our literacy programs can lead to shared knowledge, skill improvement, and the establishment of networks that prove advantageous for all allies within the non-profit sector.

## Why participate in our Literacy Programs?

With 1 in 50 individuals diagnosed on the autism spectrum in Canada, it is vital that we establish a consistent approach to building a neuro-inclusive environment nationwide.

By offering this discount, we aim to encourage collaborative efforts among non-profits, ensuring a more comprehensive and impactful support system for the neurodivergent community.

Together, we can make strides toward creating a more inclusive and understanding society for individuals with diverse neurological profiles.
