

SOCIAL AWARENESS

Recognizing Behaviours and Communication Strategies

An opportunity to learn about building an inclusive and barrier free environment for all

In an ideal world, community and social inclusion should encompass individuals on the autism spectrum by embracing neurodiversity in every aspect of community life.

Our speaking engagements provide a unique and professional perspective on how to build an ideal environment that is inclusive of everyone involved.

The topics covered in our speaking engagements are:

- Autism Explained
- Neurodiversity and Spectrum Awareness
- Recognizing Behaviours in children, teens and adults
- Sensory Processing Awareness
- Setting Healthy Boundaries
- Promoting Empathy and Acceptance
- Communication Strategies and Why Words Matter
- Building a safe and inclusive community
